## PATRON'S REPORT

MR. JOHN KHOURY

Dear CBDRLRA members,

I am pleased to provide you with an annual update on behalf of the Canterbury-Bankstown Bulldogs.

Our enduring association with CBDRLRA remains a source of pride for the Bulldogs, and we are grateful for the unwavering support from your esteemed association. Together, we have continued to make a positive impact on our local community through our special junior league competition and the collaborative efforts of CBDRLRA members. Together we have served our local community under the common banner of rugby league. As we set our sights on a promising season ahead, I want to express my appreciation for the pivotal role each CBDRLRA member plays in fostering the growth of the sport within our vibrant local community. The Bulldogs, as we often emphasise, transcend being just an NRL team; we represent a symbol of unity across our diverse community. Rugby League has the power to connect and unite so many diverse cultures, religions, and backgrounds. It's park football that can create lifelong memories, drive connectivity, help form healthy lifestyle patterns and create a sense of community and belonging amongst our players, their families, and friends. You can speak to any first-grade player and they will reflect so fondly on the junior rugby league years that formed the very start of their career.

While the CBDRLRA and Canterbury-Bankstown Bulldogs have always worked together to ensure that our local football competition remains healthy, I am extremely pleased to say that this year will be a very special one indeed. This year, the Bulldogs together with Canterbury League Club have committed to championing access to junior rugby league through our new registration grant subsidy. The grant seeks to eliminate barriers for families to enter their children in the sport in the local area, increase participation numbers and help young families across the district enjoy regular engagement in community sports. As a community Club with an all-encompassing culture, these are the sorts of opportunities we pride ourselves on delivering. While we hope to welcome hundreds into the Bulldogs family and our competition-fold through this initiative, we do need to recognise and thank the CBDRLRA for their endless support which makes growth opportunities like this possible. Collectively, we are paving the way for young athletes in our district to pursue their dreams. Your continued support, efforts, and encouragement are crucial

in creating an environment that ensures sustained success, both on and off the field.

As we grow our participation numbers, so too will we grow and cultivate an even stronger, local talent pool in both male and female players. With a renewed commitment to ensuring the Bulldogs remain a premier development Club, the experiences of these young players will help form the next generation of the Bulldogs.

With a full and strong pathway in the males' space from junior league to the NRL, we are also actively working on creating a clear and visible pathway from junior league to the NRLW for our budding young female players. We eagerly await a response from the ARL and NRL regarding our NRLW submission, but in the interim our development programs continue with the view to not only be competition ready as and when we gain a licence but to be a fully competitive team on entry. What a milestone this will be for our great Club when the first females run out in the blue-and-white in the NRLW. It will be a new chapter to the incredible legacy that is the Canterbury-Bankstown Bulldogs.

Last season we achieved an incredible four grand finals across the Tarsha Gale Cup, Harold Matthews Cup, Jersey Flegg Cup and Harvey Norman Women's Premiership sides: a testament to the strength of our pathway programs and staff. Our Harold Matthews and Jersey Flegg sides each won the Premiership Cup, and our Club won the NSWRL Flowers Memorial Pennant and Club Championship for the most aggregate points across all grades. This is an incredible feat that we should all be so proud of.

As we continue to go from strength to strength on the field, so too is our Club making great strides off the field. 2023 was a record year for the Club on a number of fronts, from our Membership number soaring to well over 20,000, our Corporate and Merchandise Programs hitting a record high, and our Football Club Members choosing to back the management of the Club affording us great unity and stability to continue to progress towards our vision of sustained excellence. The Club also continues to work on the development of a new Centre-of-Excellence to be built at Belmore Sports Ground – something our area has long deserved. This new facility will host our NRL and future NRLW teams under one roof, provide great benefits to all our Academy programs and act as a community hub for the local area.

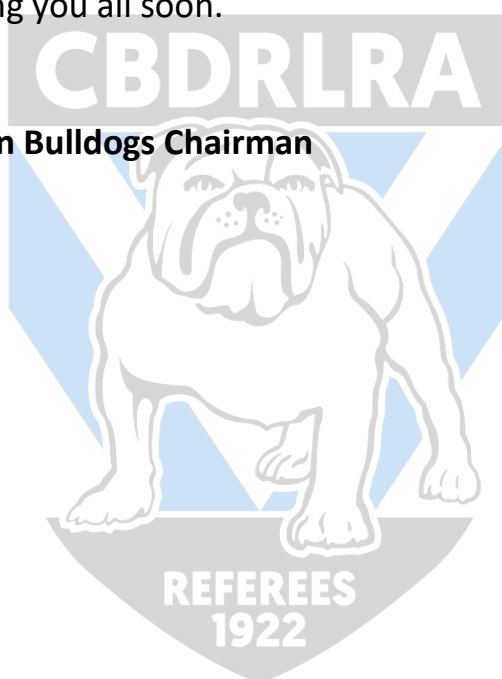

On the field, and although we are off the back of a challenging season in 2023, strong recruitment, greater depth, and the buy in from our players and staff as we look towards 2024, convince me that our trajectory is upward.

I truly believe that if you have the right people in place, the results will come and I am confident that the individuals we have recruited, both on and off the field, will be the driving force behind our resurgence. Likewise, with the expected growth of our junior league, the collective efforts of all our active members from the Association and the CBDJRL are what will continue to make local football thrive in our area.

I'd like to express my deepest thanks to you all for your unwavering support. The Association continues to provide, grow, and produce quality referees year on year, and it is inspirational to see so many members enjoying such a rewarding yet essential role in rugby league.

I look forward to seeing you all soon.

## PRESIDENT'S FOREWORD

MR. PAUL ARCHER

At the start of season 2023 little did we know that our year would end with the outstanding achievement of Life Member, Adam Gee being appointed to referee the Telstra NRL Grand Final between the Panthers and Broncos. The last member to be appointed to such a match was David Abood as a Touch Judge in 2009. Adam's impressive performance was acknowledged by all, including the media, fans and NRL hierarchy as one of the great refereeing performances which greatly contributed to a wonderful match. Adam also was appointed in October to referee the Australia v New Zealand test in Melbourne followed by the final of the Pacific Championship in NZ, where he continued with his excellent form.

Adam commenced his refereeing journey with CBRA at 14 years old, and early on it was evident that he had above average ability. He was the youngest referee to be appointed to a district A grade grand final in 2004 and received a similar appointment the year after. Adam was elevated to grade status in 2007 and to date has refereed 238 NRL matches, 9 Test fixtures, 3 World Cup matches as well as the 2017 Women's World Cup Final. Adam has now established himself as the NRL number 1 referee and we look forward to watching him in 2024 build on his impressive record.

I'm sure all would agree that Adam is a strong supporter of CBRA who continues to serve on our committee despite his numerous NRL commitments. Also, it is appropriate that Adam's wife Shannon and parents Warren and Annette should be acknowledged for their love and support to Adam which without doubt assisted him during his refereeing journey. Kim and I were extremely proud to be invited by Adam to join him in the sheds following the Grand Final to witness him being presented with a game ball by NRL CEO Andrew Abdo. Adam remains very humble and a true friend to many members of CBRA. It was a very proud moment in our modern history to have the NRL Number 1 referee, among our ranks. Well done my friend!

On the district front we had a season uninterrupted by wet weather and I offer my congratulations to all those active members who received Grand Final appointments, in particular Jabril Daizli who was appointed to his second successive Clubb Johnson Grand Final as our No 1 district referee.

Our graded members, Nathan Loveday and Jack Bird continue to toil away and

Nathan followed up his debut NSW Cup centre in 2022, with another 4 centre appointments throughout the 2023 season. Also, congratulations to Nathan and Karissa on tying the knot in October.

The Committee decided early in 2023 to alter our established social calendar and we had our first Life Members and Sponsors lunch, with 60 attendees' mid-season which was very successful. Our major function was moved to October and renamed as our 'First National Daystar Blue & White Presentation Dinner'. At this function with 110 members and guests we had our 90<sup>th</sup> Life Member presentation to Kane Thorburn, a very worthy recipient. Kane's contribution both on and off the field in his 11 years as a member is outstanding. All our other awards were presented on this night and are outlined elsewhere in the Annual Report. But it would be remiss if I did not thank the Committee for nominating me to receive my second Leo Randle Award, I was very surprised but very honoured.

At our 2023 AGM I announced that the Committee had elevated Mr George Coorey to the status of Honorary Member for Life. George held positions on both the Football and League Club Board for many years and was a current Patron of CBRA. George was a wonderful supporter of CBRA, no request from myself was ever declined and he regularly attended our meetings and social functions. George spoke on the night of his pride in receiving the acknowledgement of his service and was aware that a presentation would be forthcoming later in 2023.

George had not been in the best of health but in a shock to us all, he passed away suddenly on 17<sup>th</sup> August. It was an honour for the Association to host Laurel Coorey and her family at our presentation dinner and to give a small memento in memory of our friend George Coorey.

This Association has always been very fortunate to have a group of companies as sponsors who now have been with us for many years, **Canterbury League Club** has been our major contributor for 27 years and we acknowledge their strong support from Chairman Peter Winchester his fellow Board members and CEO, Greg Pickering.

To Steve Dib from **Soneta**, Bruce Pawley, **Bankstown RSL** and Michael Sleiman from **First National Daystar** thank you for both your financial and moral support over the years.

This year **Brickwood Homes** came on board as our short sponsor and to Albert Chahda and Geoff Dib we appreciate you joining our sponsors family.

Also, to Kevin Greene (Chairman) and Greg McCallum (CEO) from the NSWRLRA your financial & administrative assistance is greatly appreciated.

We continue to have a strong bond with the Bulldogs Football Club and appreciate the support from Chairman, John Khoury and CEO Aaron Warburton. Whilst the NRL squad had a disappointing season the lower grades had success and the Club has established a wonderful pathways program. In early 2024 elections will take place for both the Football and League Club Boards: those members who are members of both organisations are encouraged to cast a vote and when doing so remember the support CBRA receives from both the current Boards.

To Barry Ward and John Grealy from our Junior League we continue to have a very co-operative relationship and look forward to an initiative to assist us in the important area of recruitment of new referees.

To all those members who occupied Office Bearer positions during 2023 thank you for your assistance with the smooth administration of our beloved Association in particular Richard Daizli who spends numerous hours each week on the development of our members.

Words are difficult to express my admiration to our Secretary, Daniel Gardner, he spends countless hours each week on not only administrative duties but also, on appointments and development. I have worked with several Secretaries during my time as President but can say without doubt that Gards stands out in this role and I appreciate our frank discussions on Association matters.

Finally, to my wonderful wife Kim, not only our Social Secretary but my right arm. Her continued commitment to CBRA is acknowledged but more importantly her love and support to myself keeps me on track.

I continue to enjoy my role as your President, thank you to all members, sponsors and friends of CBRA - you all make CBRA the first-class Association it is today.

May season 2024 be a successful season for you all.

## HON. SECRETARY'S REPORT

MR. DANIEL GARDNER

Mr Chairman and Members,

It's my pleasure to provide a report for the 2023 season.

The 2023 season was successful on many fronts, none more so than the achievements of Adam Gee.

Adam's appointment to the 2023 NRL Grand Final was a fantastic reward for his consistency and hard work not only throughout the season, but over many years. Whilst maintaining an extremely busy schedule with his NRL commitments, Adam still regularly attends meetings, social functions, and the odd training session to give back to our members. Adam is also still a current member on our committee, which he has been for several years.

Not only was it a wonderful achievement to be appointed to the game, but Adam's performance will go down as one of the best refereeing performances in an NRL Grand Final.

Winding back to the start of the season, our AGM was held at the home of our Major Sponsor, Canterbury League Club on Thursday 23<sup>rd</sup> February.

Paul Archer was again elected unopposed as President, with much of the committee from 2022 remaining the same, the only change being Chris Cafarelli elected as Vice-President, with Adam Gee elected as a Committee Member.

The members once again nominated George Coorey, John Khoury & Aaron Warburton as Association Patrons for 2023. All three gladly accepted their positions and were a great support throughout the season.

In extremely sad news, George Coorey passed away suddenly in August. George was a staunch supporter of our Association and had become a very close friend with many of our members over the years. George was a regular attendee at many of our meetings and social functions over the years.

It was announced at the 2023 AGM that George was elevated to Honorary Member for Life of our Association, an honour which he was extremely proud of at the time.

Whilst we couldn't present this honour to George later in the year, it was wonderful to have George's family present at our Blue & White Presentation Night to accept this honour on his behalf.

Season 2023 saw Life Membership presented for the first time in 2 years, with popular member Kane Thorburn becoming the Association's 90<sup>th</sup> Life Member.

Kane is an integral part of the CBRA fabric. Not only will he referee any and every game asked, be that at multiple venues, he is our go to guy for any gear needs and just generally there to help any member in any way!

Kane is involved in various committees and always willing to lend a hand to assist any member.

Well done, Kane! You should be extremely proud, as we are!

### Sponsorship

Our Major Sponsor was once again Canterbury League Club, an association that is closing in on almost 30 years!

Led by Peter Winchester, the League Club is a big supporter of our Association, hosting our meetings and functions throughout the season and always willing to support with friendly staff who continually make our Association feel welcome every time we attend the club.

Bankstown RSL continued as our flag sponsor for a 5<sup>th</sup> season. Thank you to Bruce Pawley, Scott Dickson, and the staff at Bankstown RSL for their support. Bruce regularly attends our social events with his wife Lyn, and we appreciate the continued support.

SONETA Plumbing and Civil were once again sleeve sponsors for the 2023 season. Thank you to Steve Dib and the SONETA team for the ongoing support and friendship over the past 3 seasons.

For their 3<sup>rd</sup> season, First National Daystar continued as naming rights sponsor. They have exclusive naming rights of the Life Members & Sponsors Function

and the Blue & White Presentation Night, as well as sponsoring our training award – the ‘Daystar First National Trainer of the Year’ Award.

A special thanks to Michael Sleiman, Paul Davis, and the team at Daystar for the continued support.

Thank you to Bruce Christison and the team at Club Menangle for their support throughout the season. We once again enjoyed the hospitality of Club Menangle at our Trots Night.

Special thank you also to Bruce for the assistance as always with the printing of our Annual Report!

Season 2023 saw Brickwood Homes join the CBRA family as our shorts sponsor. We thank Albert Chahda and Geoff Dib for coming on board as a sponsor, and we look forward to continuing the great friendship over the years to come.

### **Junior League**

Thank you again to John Grealy, Barry Ward, and the entire staff at the Junior League for their efforts in 2023.

This year we were lucky enough to host 4 weekends of Grand Finals at Belmore Oval, which whilst this was a positive in allowing plenty of opportunities for our members, this meant four very long weekends of game days @ Belmore Oval for the Junior League staff.

We have built up a wonderful relationship with the Junior League over the past few seasons, and we look forward to working again with John and Barry to ensure our Junior League continues to grow.

### **Membership & Meetings**

This year the Association held 8 meetings (including the AGM) with an average attendance of 31. We as a committee are continuing to look at ways to increase attendance at our meetings, which whilst they are informative for our members, they are also a great social opportunity to catch up with fellow members in a relaxed environment.

This season we only had 4 new members, with 1 being a transfer from Parramatta Referees (Isaac El-Hassan). Isaac has been a welcome addition to

the active ranks, bringing experience and positive attitude, whilst also being a sounding board for a lot of our younger members.

Our recruitment numbers remain significantly low and are a real concern for the committee. We continue to work with NSWRLRA and CBDJRL to work on recruitment and retention strategies moving forward.

### **Training & Development**

Matthew Gomes was appointed as Training Coordinator for his second season and continues to bring fresh ideas to this area.

This season, the committee introduced a training levy, which was a financial reward given to members who attended 75% of sessions throughout the season. This initiative was well received by active members, and the increased attendance at training allowed Matthew to run more skills and drills inclusive of all members in attendance.

We varied sessions throughout the year, with indoor sessions and a combined session at Cronulla, again well supported by our active members.

I encourage all active members (young and old) to attend training, when possible, it will only benefit your refereeing!

### **Awards**

This season saw the introduction of the 'Yvette Hassarati Trophy'. This trophy recognizes Honorary Member for Life, Yvette Hassarati, and the contribution Yvette has made not only to our Association, but the broader game of rugby league.

The award will be presented each season to the referee who officiates the highest Women's Grand Final in district, and the inaugural winner was Rami Abu Mansour.

Congratulations to all award winners below:

- Leo Randle Award – Paul Archer
- Matthews-Styles Award – Tyler Munn
- Archer-Garwood Award – Kane Thorburn
- Clubb-Johnson Trophy – Jabril Daizli

- Farrelly-Dick Trophy – Owen Millar
- Bankstown RSL ‘Touch Judge of the Year’ – Isaac El-Hassan
- First National Daystar ‘Trainer of the Year’ – Jamie Pomeroy
- Yvette Hassarati Trophy – Rami Abu Mansour

More on all award winners can be found later in the Annual Report.  
 Congratulations again to all!

### Grade – NRL/NSWRL

Adam Gee was once again a consistent performer throughout the NRL season and has confirmed his position as one of the games leading referees.

Some of Adam’s achievements throughout the season included:

- Referee - Women’s State of Origin Game I
- Standby Referee – State of Origin Game III
- Referee – NRL Finals Week 1, 2 & 3
- Referee – NRL Grand Final
- Referee – Pacific Cup Final

As mentioned previously in this report, Adam being appointed to referee the NRL Grand Final was an extremely significant appointment and special piece of history for our Association.

Adam became the first Canterbury referee in **42 years** to referee a First Grade Grand Final (the last being Greg Hartley in 1981)

He also became only the **5<sup>th</sup> Canterbury Referee** in history to referee a First-Grade Grand Final following:

- **Jack O'Brien** - 1940, 1942, 1943, 1944, 1947, 1951, 1954
- **Jack Bradley** – 1962
- **Keith Holman** – 1971
- **Greg Hartley** - 1981\* Greg refereed 5 Grand Finals, but only 1 as a Canterbury member.

To put that into perspective, we have only had 5 members in over 100 years achieve this feat!

2023 will be hard to top for Adam, but I am sure he will continue to represent himself, his family, and our Association proud. Well done mate!

On the Graded front, we had Nathan Loveday and Jack Bird once again involved in the NSWRL Grade Squad for 2023.

Both members featured regularly across various NSWRL competitions throughout the season, with Nathan achieving a milestone of his own with his appointment as a Touch Judge for the Jersey Flegg Grand Final.

Thank you once again to the Board of NSWRLRA for their support throughout the season, in particular Chairman Kevin Greene, Executive Officer Greg McCallum, and Director of Coaching & Development Steve Clapson.

## Social

Our Social Calendar was revamped heading into the 2023 season, with the introduction of our Life Members & Sponsors Luncheon which was held in May and very well attended by Life Members, sponsors, and special guests.

With this change, our major social event was moved to the end of the season and was renamed the 'First National Daystar' Blue & White Presentation Night.

The night was an opportunity to not only recognise the achievements of our members on and off the field throughout the season, but more importantly, the association inducted our 90<sup>th</sup> Life Member, Kane Thorburn.

George Coorey was also honoured on the night, with a presentation to his family to recognise his Honorary Membership for Life with our Association.

The committee made the decision to announce nominees for a select number of awards in the lead up to our Presentation Night this season. This was well received by members and allowed members to have family and friends in attendance on the night.

We held multiple pizza nights throughout the season at the Moxon Sports Club and held our Annual Trots Night in November at Menangle Park. All social events were well supported by our members which is great to see.

I thank Social Secretary Kim Archer and her Social Committee for all their efforts throughout the season. Organising social events can be very time

consuming, and Kim works tirelessly with her committee to ensure all events go ahead without a glitch!

## General

In 2023 we had 4 members in the 'Metro Development Squad' – Jabril Daizli, Matthew Gomes, Rami Abu Mansour & Isaac El-Hassan.

All of 4 of these members performed well throughout the Junior Rep season and they were rewarded with Grand Final appointments as follows:

- Isaac El-Hassan – Harold Matthews Grand Final Touch Judge
- Jabril Daizli – Harold Matthews Grand Final Stand-By Referee
- Matthew Gomes – Tarsha Gale Grand Final Touch Judge
- Rami Abu Mansour – Harvey Norman Women's Premiership Grand Final In-Goal Judge

Jabril and Rami were also selected to attend the National U18s Championships in Redcliffe in July, a significant appointment for both members given only 5 members were selected from NSW.

All 4 members are again part of the squad for 2024 and we wish them the best of luck for the Junior Rep season.

This year for the first time in 4 years we were able to complete both our Auckland and Gold Coast exchanges.

Kane Thorburn and Aaron McGeoch were selected to represent our Association on the Gold Coast, whilst we welcomed Taylor Ball and Kai Turner for the weekend.

Taylor and Kai represented the Gold Coast referees with distinction, controlling games on Friday night, Saturday, and Sunday. We also hosted them at our Trivia Night which was re-introduced to the social calendar.

As for the Auckland Exchange, Matthew Gomes and Owen Millar travelled across the ditch to referee in Auckland, whilst Grant Smith and Brent Newtown were welcomed in Canterbury for the weekend. We hosted a Pizza night on the weekend of the Auckland Exchange, which was well supported by members.

Our Exchange programs are a wonderful experience and reward for our members, and we look forward to this continuing again next season.

I want to thank all members who assisted in chaperoning our guests across the weekends of the exchange, in particular Kane Thorburn and Anthony Harb for all their efforts.

In closing, I want to thank all members for the continued support. After 8 seasons as Secretary, it is a position I still feel privileged to hold and I look forward to the future for our Association.

I mentioned in last year's report that it is important to embrace our history, but also look towards our future. It is wonderful to see younger members of our Association taking on roles on committees and sub-committees and offering to provide input into our Association.

I will continue to be in awe of our President Paul Archer. His leadership style is second to none and we are so fortunate to have a President like Paul. I personally cannot thank Paul enough for his guidance and support in my role, and it was fitting that Paul became the first member to be awarded the **Leo Randle Award** for the second time – a wonderful achievement.

I look forward to catching up with members at our AGM on Thursday 22<sup>nd</sup> February 2024 @ Canterbury League Club.

## SOCIAL SECRETARY'S REPORT

MRS. KIM ARCHER

### Social Committee

#### Kim Archer (Secretary), Colin Turnell, Kane Thorburn & Mikayla Dib

Season 2023 was another successful season on our social front. Prior to the season the Committee resolved to make significant changes to our program with the introduction of our first ever Life Member's & Sponsor's luncheon. This event was conducted in late May at the Highline function centre in Bankstown with 60 attendees. The lunch was a great success, and the guests were well entertained by a magician who had everyone scratching their heads with his tricks!

Further, our major social event was moved from the June long weekend to October and renamed the **First National Daystar** Blue & White Presentation Dinner. The dinner was held at our traditional home, **Canterbury League Club** with 110 members and guests in attendance who witnessed **Kane Thorburn** being inducted as the Association's 90<sup>th</sup> Life Member, a great contributor to all aspects of our Association including being a member of the Social Committee for several years, congratulations Kane.

All the Association awards were presented on the night and although we were mindful of the importance of the awards, we did not want them to overwhelm the overall social atmosphere of the night, and I believe we were able to achieve this.

Also, our President presented to the family of the late **George Coorey** a memento to acknowledge his elevation as our 8<sup>th</sup> Honorary Member for Life. We lost George in August, but he will be remembered for his enormous contribution to the Bulldogs and our Association.

We reintroduced a Trivia Night with excellent numbers in June and can I thank our various sponsors and members for their support in providing prizes for this event. On the night we also entertained our guests from the Gold Coast Referees' who were with us for our exchange program. As usual we had several Pizza Nights at **Moxon Sports Club** including one with our Auckland

Referees' and another one in October to recognise the appointment of **Adam Gee** as the NRL Grand Final Referee, we had over 40 attendees at this night, all wanting either a photo with Adam or to discuss his game. Congratulations Adam!

We concluded our social activities with our annual Trot night at **Menangle Park** in November, an enjoyable night but not many winners!

The Committee will review our revamped social program prior to decisions being made on season 2024.

Can I express my appreciation to my Social Committee for all their assistance and to our sponsors whose funds make it possible for our socials to be subsidized.

Further thanks to Sandra Somani and her team at **Canterbury League Club** who it is a pleasure to liaise with for our various meeting and function requirements.

In conclusion, it was pleasing to see several of our new members attend some social activities during the year and I am open to any feedback which will improve our activities.

Thank you for your ongoing support.

*Kim Archer*

Social Secretary

Canterbury League Club has sponsored our Association for 27 years, and we thank the club for the continued support!

We continue to hold all major events at Canterbury League Club and appreciate the hospitality shown on every occasion.

To Chairman Peter Winchester and the Board of the club, we thank you again for your unwavering support of our Association.

Canterbury League Club offers a wide range of facilities for their members and guests and more information is available at [www.canterbury.com.au](http://www.canterbury.com.au)

## DIRECTOR OF REFEREE'S REPORT

MR. RICHARD DAIZLI

For the first time in several years, we had a full season of footy with no disruptions due to weather or covid. There were 7 weeks of trials followed by 18 weeks of competition rounds and finals allowing for a solid year of officiating. Finals matches were played from Under 9s to Opens. Grand Finals ranged from Under 9s to Under 18s in the male division and Under 12s to Opens in the female division. This gave us a total of 25 grand finals which meant we were able to reward all referees for their efforts this year. Once again Canterbury combined with Parramatta for all senior grades and the finals series was played with a top 5 format.

I would like to thank Daniel Gardner and Michael Tasker for their assistance this year in finalising appointments and providing support on match days. In contrast to 2022, we did not receive many new members and we lost a few which meant our resources were stretched especially on Saturdays. Several referees had to travel between grounds as well as spending long hours to ensure matches were completed. There were times when referees from St George and Cronulla assisted us to cover the large number of games on Saturdays and I would like to thank them for their support. In return, we also had referees assist in the St George and Cronulla districts. We hope the new referees that joined us this year enjoyed the season and will remain with us for future years.

As a team, we were able to watch a lot of referees this year across all ages and all days. With Friday night Under 18s matches being videoed, we were able to assess referees via video review. We also introduced an automated system in assessing referees which can be done via phone or tablet and send reports to the referee and Director immediately upon completing. I would like to thank Daniel for setting this up. Hopefully this innovation will help us get more assessors for 2024 as this is one area that we are currently lacking as we look to using active senior members to help out.

Our referees performed strongly and there is great potential in our younger referees. The squad still requires improvement in the skill of touch judging,

especially in the area of communication. We were able to conduct several rule quizzes and results were average at best. More focus needs to be made on understanding the laws of the game.

Congratulations to all referees who officiated in finals and grand finals. Having watched all games, our referees performed strongly and showed great professionalism.

Congratulations to Jabril Daizli for receiving the Clubb Johnson Trophy for the second time. Once again Jabril performed strongly and consistently all year.

Congratulations to Owen Millar for receiving the John Farrelly-Reg Dick Trophy for most improved referee of the year. Owen has a great attitude and a willingness to learn and has a bright future.

Congratulations to Isaac El Hassan for receiving the Touch Judge of the year award. Isaac joined us this year from Parramatta and his experience and professionalism was evident in all his matches.

Congratulations to Rami Abu Mansour for being the first recipient of the Yvette Hassarati Trophy for officiating in the highest female division Grand Final. Rami officiated in the Women's Open Gold and performed well.

Thank you to the executive board, the junior league and district club for their support during this year.

Enjoy the festive season, stay safe, train hard and set your goals for 2024.

### Leo Randle Trust 2023

<b>Chair</b>	Paul Archer
<b>Trustee</b>	Chris Cafarelli
<b>Trustee</b>	Daniel Gardner
<b>Trustee</b>	Peter Longhurst
<b>Trustee</b>	Gavin Beecroft

The Trust was established in 2005 with funds provided from the estate of the late Leo Randle. Leo was a Life Member (1955) and former President of our Association (1957-62) and a mentor and friend to many.

The Trust was established with a starting balance of \$220,000 and despite contributing considerable funding each year now has a balance in excess of initial funds. This success is a direct result of sound financial management by the various Trustees over the years but most importantly the financial judgement of our consultant, Association Life Member Ian Butler.

The Trust is governed by a Deed which stipulates how funds can be distributed but in simple terms must be for the interests of the Association and its members, with the exception of social activities. I acknowledge the expertise of Trustee Peter Longhurst who has responsibility to liaise with our external lawyers & Auditors. It is anticipated that these duties will be gradually transferred to Trustee Gavin Beecroft with an eye to the future.

## NSWRLRA GRADE REPORT

MR. NATHAN LOVEDAY

Season 2023 saw three new members graded at the end of a long and arduous pre-season.

The Squad was extended to 38 as we welcomed:

- #1033 - Joel Pitscheider
- #1034 - Mitchell Robinson
- #1035 - Tate Hoobin

The season started with extreme heat during the trial games and well into the first few rounds. Mitchell Stone brought up the milestone of 400 games which is a massive achievement and many years of dedication to the game.

We then saw Damian Brady make his debut on the touchline at Glen Willow in Mudgee as Manly took on Newcastle, a fantastic achievement as he became official #164 into the NRL.

A big congratulations must go to the officials who were appointed to Rep Round City vs Country in the Male and Female games:

- Daniel Luttringer, Karra Lee Nolan, Mitchell Currie, Ben Seppala, Liam Nicholls, Micheal Ford, Cameron Mitchell, and Brad Kiehne.

Louis Matheson picked up an unsuspected but well-deserved NSW Cup debut after an injury in the warmup. Nothing like sneaking a debut live on FOX League for everyone to tune into. He did an outstanding job and took the opportunity with both hands! No doubt the first of many for Louis.

John Woods got to game 450 during the NSW Cup Fixture between Dragons and the Roosters! An amazing servant of the game, John will be back in 2024 pushing for game 500!!

The season continued into the final series in what was a very tough few weeks of footy, with tough hot and windy conditions greeting the officiating teams at Leichhardt before moving onto Grand Final day at CommBank. It was amazing to see the support from the squad with 3/4 of the squad turning out to support the on-field teams.

It shows the current culture of the squad in which friendship and support is of high priority to all!

Well done to all Grand Final Officials as follows:

#### **KOE NSW CUP**

- **Referee:** Cameron Paddy
- **Touch Judges:** Tom Cambourn & Nick Beashel
- **In-Goal Judges:** Paul Eden & Martin Jones

#### **JERSEY FLEGG**

- **Referee:** Keiron Irons
- **Touch Judges:** Nathan Loveday & Liam Nicholls
- **In-Goal Judges:** Tom Stindl & Michael Ford

#### **PRESIDENTS CUP**

- **Referee:** Damian Brady
- **Touch Judges:** Kara-Lee Nolan & Cameron Turner
- **In-Goal Judges:** Louis Matheson & Dillan Wells

At the end of season NSWRLRA Life Members Lunch, Kieron Irons was presented with the Mick Stone Medal (Referees' Referee). Damian Brady was also presented with the NSWRL Referee of the Year at Brad Fittler Medal.

The following members reached significant milestones throughout the season:

- **200 Games** - Jake Sutherland
- **200 Games** - Brad Kiehne
- **200 Games** - Nathan Loveday
- **200 Games** - Daniel Luttringer
- **100 Games** - Paul Eden
- **100 Games** - Kara-Lee Nolan

As you read this, we will be deep into pre-season ready to rip and tear for 2024!

## TRAINING REPORT

MR. MATTHEW GOMES

My second year of training co-ordinator was one which I entered with a bit more experience and found to be rewarding. Nonetheless there were a few challenges during the season, however with the help of the association it ensured training ran as smooth as possible.

Unlike last season, planning training this season was far easier which was largely due to the consistent commitment shown by our officials. A highlight of this season would be the combined training session with Cronulla and St. George at Menai hosted by NSWRL with NRL officials present. It was a night where the association was well represented and able to rub shoulders with the elite match officials in the game.

Once again, I would like to thank the association for allowing me with the opportunity to coordinate training this past year. Finally, a huge shoutout to all the members who attended training, it would not be possible without you all. Attendances throughout this season were consistent and the most encouraging takeaway from that is the increasing activeness shown by the younger members at both training and meetings.

This season saw the association introduce an incentive to encourage members to attend training which was met well by members. The commitment and effort shown by members especially during the colder nights must be applauded and I hope you all achieved the goals you set out at the beginning of the season.

Anyone who attended training this season would agree when I say Jamie was a consistent standout and his contribution was phenomenal. Whether he was running drills or assisting with the development of younger members, he definitely set the standard for the season. It could've been easy for such a distinguished and experienced member of the association to have a week off during the colder months, but Jamie was always there and epitomises a great leader within the association and was a more than deserving recipient winner for the trainer of the year award.

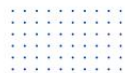

Looking forward to the next season, if given another opportunity I hope to implement a few different aspects to training which I feel would be beneficial to all members. The association is in a great spot right now with a generous mix of both young and experienced officials able to learn off each other. As always, I encourage every member to attend training where they can to expand their skillset and laws of the game. Special mention must be extended to both Daniel and Richard for their continuous support and assistance throughout the season. I hope all members and their families enjoy the offseason and best wishes for the new year, and I look forward to seeing you all back in 2024.

*Matthew Gomes*

Training Co-ordinator

## NRL SQUAD REPORT

MR. ADAM GEE

The 2023 season saw the expansion and introduction of the Dolphins into the NRL Competition, alongside multiple teams into the NRLW Competition creating plenty of hype and interest for Rugby League fans. For the NRL Referees squad and extended part time members it meant more games and more opportunities for individuals.

The pre- season was somewhat compressed for a handful of referees who had attended the World Cup in England, however, once everyone returned in January the squad began with an overnight camp at Holsworthy Army Barracks. This included invited members from the Queensland and NSW High Performance Squads. The camp was run by members of the Army PT group who would eventually have input into the design of the 2023 ANZAC Jersey. The concept of the camp was to build relationships within the squad, teamwork, discipline, communication & leadership qualities whilst performing physical and cognitive tasks within teams, under pressure. The second day saw the squad drive to Bulli Surf Club where a running session was completed, followed by team races, tasks on the beach and in the water to eventually decide a winning team for the camp.

Throughout the course of the season, the squad were involved in some significant events. ANZAC Round saw the squad reach out to the Ukrainian Council who were assisting in the aid of relocation of families to Australia due to the war. The squad, along with the NRL Development Officers put on a clinic for children and teenagers who had been relocated to Australia and were learning the game of Rugby League. The Ukrainians were then a part of our ANZAC Round service and jersey presentation along with Australian members of the Holsworthy Barracks who had assisted in the pre-season camp. The stories these individuals told, and the hardship they have endured is something the squad and myself will never forget.

Indigenous Round Wednesday training session was conducted at St Gregory's College Campbelltown. The squad were welcomed by Indigenous students with a traditional dance and smoking ceremony. This was followed by the squad attending the site of the Appin Massacre which occurred in 1816.

This year saw three Touch Judges debut; **Damien Brady, Dan Munroe** and **Dan Schwass**.

Further, multiple squad members experienced their first opportunity in the Bunker in the NRLW competition.

A major milestone was achieved for officiating, especially within the NRL, seeing **Kasey Badger** debut as a centre referee in the men's competition and **Belinda Sharpe** as a single referee in the middle. Congratulations on outstanding achievements!

**Ashley Klein** controlled all three State of Origin matches this season with another consistent and successful series.

The back end of the year saw Steve Chiddy retire from the NRL as a coach. His record and dedication to the squad was unwavering and his expertise will be sorely missed.

At the completion of the regular season **Ben Cummins** decided to call time on his illustrious career which spanned over 20 years at the top level, holding the current record for the most NRL matches officiated. Ben's work ethic, dedication and resilience is an example for all others to follow. We hope Ben enjoys some time away with family and friends and expect his knowledge and experience will not be lost to referees striving to reach the top. Congratulations Ben!

Finally, on a personal note, I was truly humbled and privileged to be appointed to the NRL Grand Final. The last few months of the season were certainly a whirlwind and an outstanding experience that the family and I will never forget.

I would like to thank everyone in the CBDRLRA for their unwavering support. The appointment and the match were one thing, but the amount of support I have received from this great association and its members is something I will never be able to repay.

Thank you again!

*Adam Gee*

Wondering what distinguishes Brickwood Homes from other builders?

The key factor that differentiates Brickwood Homes from other home builders is our innovative methods in building family homes and granny flats.

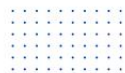

Our approach is what makes your experience with us as trouble-free and easy as possible. We place a high importance on quality: we prioritise excellence, we don't take short-cuts and we strive to deliver value because that is what our clients expect and deserve.

We're a young and dynamic team of builders with more than 20 years' experience in project management and construction. It's the sort of experience that has taught us how to achieve the best solutions and how to get the best results for our clients who rely on us to deliver quality family homes and granny flats.

We pay our tradespeople well because we believe that is the best way to attract a quality team who will produce quality workmanship. And we have invested heavily in the tools of our trade, so our pricing is more cost effective for our clients.

***When you build with Brickwood Homes, you can be confident in our service and dedication to quality.***

## HON. TREASURER'S REPORT

MR. GAVIN BEECROFT

Dear Members,

It is with pleasure that I submit the financial accounts to members for financial year ending 31 October 2023.

Our result for the 12 months to 31 October 2023 was a surplus of **\$4,472.83** with our total assets valued at **\$33,371.38**

Income was once again down during season 2023, compared to the previous year. Our expenses have reduced in 2023 from the previous year, as running costs for CBRA have normalized after the Covid-19 hangover. I also should note that during the 2023 season, our active members lost no weekends due to wet weather, therefore increasing social fees and membership fees we received.

There is always the question of securing income for CBRA, for the benefit of our members and planning for CBRA expenditure, being mindful of our future needs. Whilst we have a healthy surplus for 2023, inflation is potentially the white elephant in the room, we may find ourselves in the next few years, that the costs of goods and services costs increasing more than anticipated and more than expected income to offset these increasing costs.

Grants from NSWRLRA, once again available for season 2023, CBRA received a total of \$6,700.00 for Administration, Coaching & Development Grant from NSWRLRA, the Canterbury League Club providing \$10,000 to the Association via Club Grants.

To our sponsors, we are grateful for their continued support. We are grateful to have a group of fantastic sponsors on board, to support the CBRA family.

Our sponsors have committed their support into the future, many are willing to go above and beyond of what we ask, which is a great help to CBRA financial position.

I would like to acknowledge & thank the following sponsors for their financial contribution during season 2023.

- Canterbury League Club
- First National Daystar
- Soneta Plumbing
- Brickwood Homes
- Bankstown RSL
- Club Menangle

Finally, I would like to acknowledge the efforts for the committee and the members throughout season 2023.
