## PATRON'S REPORT

MR. JOHN KHOURY

Dear CBDRLRA members,

As we approach the end of another remarkable year, I wanted to take this opportunity to reflect on our achievements and share our excitement for the future ahead. The Canterbury-Bankstown Bulldogs' relationship with your esteemed association continues to grow stronger, and together we've achieved significant milestones that benefit our entire community.

Your support of the football club throughout 2024 has been nothing short of extraordinary. The partnership between our club, our junior league, and your wonderful association is one we deeply cherish. Your commitment to excellence in officiating and development of our sport has been instrumental in our success.

The way we have worked together this past year, as always, both in the community and in sport, demonstrates what we can achieve as dear friends and family. The bonds we've formed and strengthened continue to create positive impacts throughout our district, and I have no doubt that the best is yet to come.

I would be remiss not to acknowledge a momentous occasion for your association this year. On Australia Day, we celebrated with immense pride as your President, Paul Archer, being awarded the Medal of the Order of Australia (OAM) for his service to rugby league and to the community. Since joining the CBDRLRA as a 16-year-old in 1972, Paul has embodied the very best values of our sport and community. Through his 22 years as President, his unwavering commitment to mentoring referees both on and off the field, and his countless acts of compassion - from organising working bees for members without family support to ensuring ill members receive visitors in hospital - Paul has shown what true leadership and service mean. His recognition through this prestigious national honour is a testament not only to his half-century of dedicated service to our sport but also to his character as someone who consistently puts others before himself. Paul, on behalf of the entire Bulldogs family, congratulations on this thoroughly deserved recognition.

Following the tremendous success of our new registration grant subsidy program and the notable increase in participation numbers across our 12 local district clubs, I am delighted to announce that we will be continuing this vital initiative into the 2025 season. This program has proven instrumental in making our sport more accessible to families throughout our diverse community.

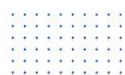

In exciting news for our growing football family, we are proud to announce the expansion of our local junior league competition with the entry of our 13th district club - The Chipping Norton Kangaroos. This expansion represents not just growth in numbers, but a broader reach into our community and more opportunities for young players and referees to participate in our great game.

As a senior club, we've made remarkable progress in the past year - returning to NRL finals football for the first time since 2016, continuing to strengthen our pathways programs through finals appearances across our male and female squads, securing our new NRLW license, and laying the groundwork for our Centre of Excellence. None of these achievements would have been possible without your unwavering support and belief in our vision for the future of the Canterbury-Bankstown Bulldogs.

Looking ahead, 2025 promises to be a special year as we celebrate our 90th anniversary. This milestone year will see several exciting developments, including the debut of our first NRLW team, continued growth in crowds and membership, and the commencement of construction on our Centre of Excellence. The partnership between our club and your association will be more important than ever as we embark on these new chapters in our proud history.

Thank you again for everything you do to support our junior league and wider community. Your dedication to rugby league and community continues to inspire us all, and we look forward to working alongside you as we build an even stronger future together.

## PRESIDENT'S FOREWORD

MR. PAUL ARCHER

Once again it is a pleasure to present this report to members, sponsors and friends of this great Association.

Prior to the commencement of the season the Secretary and myself accompanied Junior League Manager, John Grealy to meetings with the Parramatta Junior League & Referees Association. This in itself is not unusual but in view of serious misconduct following a finals match at Belmore in 2023 it was necessary for our Association to make a strong stance on this type of behaviour. A resolution was finally agreed upon and we appreciate the common sense displayed by all parties. But members should be assured that we as a committee will always be diligent to protect the welfare of our members.

On the district front, season 2024 was one with several matches cancelled due to wet weather. To the Junior Leagues credit, they made great endeavours later in the season to schedule mid - week matches in an endeavour to catch up on postponed fixtures.

It was disappointing that local Grand Finals could not be scheduled for Belmore, but these fixtures were held at Hammondville and on behalf of the Association can I congratulate the Moorebank Club & the Junior League on the success of these fixtures.

Mid-season we once again took part in an Exchange program with Auckland and the Gold Coast, the Committee selected Isaac El-Hassan, Meleck Labadidi, Chris & Michael Rizoglou to represent CBRA in the exchange. We received positive feedback on the performances both on and off the field. Well done guys, and we look forward to continuing this initiative in the years ahead.

It was our turn in 2024 to host the Annual Combined Training night, the event was conducted at Belmore Sports Ground, we appreciate the assistance of Bulldogs CEO, Aaron Warburton & Deputy Chair, John Khoury to make this possible. Also, to John for his attendance on the night and conducting a tour of the Bulldogs training facility. Our members were joined by members from St

George and Cronulla Associations and I'm sure they appreciated the advice from NRL & NSWRA referee squad members who conducted the drills.

We conducted several well attended social events during the year in particular our two major functions, both sponsored by **First National Daystar**. The Life Members' & Sponsors luncheon and the Blue & White Dinner & Presentation night. Both functions were held at our major sponsors **Canterbury League Club**. Congratulations to not only all award recipients but also those members who were nominated, that is a wonderful acknowledgment of your efforts in 2024. Congratulations to Matthew Gomes who received the Clubb – Johnson trophy as our leading district referee. Award recipients will be acknowledged in the Secretaries report. Further, it was an honour for me to represent Life Membership to David Abood. In fact, I presented Dave with Life Membership 25 years ago and his record continues to impress. Congratulations Dave.

On the junior representative scene, we had Issac El-Hassan, Jabril Daizli and Matthew Gomes officiate, also former member Rami Abu Mansour who decided to depart our Association mid-season. At the NSWRA level, Nathan Loveday & Jack Bird continue to toil away with limited opportunities.

As members are aware our NRL representative, Adam Gee did not end the season as most of us expected. Following his fantastic NRL Grand Final performance in 2023, Adam refereed in Las Vegas, controlled the Anzac Day match of the round & had numerous top performances in the NRL during 2024. In a mystery to us all, Adam was overlooked for any NRL final appointments. To say we were dismayed would be an understatement, but to see the level of support Adam received from not only numerous media personalities, fellow Association members and the general public proved that in the eyes of the general rugby league population Adam is in the top echelon of NRL officials. Adam needs to put this behind him. As he heads into season 2025 have a positive attitude knowing that you have so much support in the rugby league community and continue to referee to your ability. You can and will prove them WRONG!

On a positive note, can I again thank our sponsors, the majority who have been with us for many years, in particular our major contributor, **Canterbury League Club**, they have been our sponsor since 1997 and continue to offer wonderful support. Many thanks to Chair, Peter Winchester, CEO Greg Pickering & the

entire Board. **Bankstown RSL** increased their grant in 2024 which was most appreciated, to CEO, Scott Dickson & President Bruce Pawley 'thank you'. In fact, Bruce is standing down from his long-standing position in 2025 and we wish him and wife, Lyn all the best for the future.

Our friend Steve Dib from **Soneta Plumbing & Civil** continues his support, Steve has become a good friend to many of us & we appreciate not only his financial support but his friendship. The same goes to Geoff Dib & Albert Chahda from **Brickwood Homes**, in their 2<sup>nd</sup> year of a 7-year sponsorship, your funding contributes to the smooth running of our Association. **First National Daystar** whose principles are Michael Sleiman & Paul Davis, you have supported us for the past 4 years and we look forward to this continuing for years to come. Finally, the overall support received from the **NSWRLRA** in particular CEO, Greg McCallum & Chair, Kevin Greene continues to be invaluable.

The Bulldogs Junior League team headed up by John Grealy (Manager), thank you for your support and efforts in the smooth administration of our junior league.

Season 2024 saw the resurgence of our beloved, **Bulldogs Football Club**. Under the stewardship of new Chair Adam Driussi, CEO Aaron Warburton and the entire Board, Phil Gould, Cameron Ciraldo & the playing group, well done! It would be remiss if I did not acknowledge the contribution by former Chair & current Deputy Chair, John Khoury who set the platform in recent years for our improvement in all areas. We look forward to seeing what season 2025 brings us!

The problem with recruiting and retaining members is a continual worry, with this in mind we have appointed a sub-Committee of Anthony Harb & Gavin Beecroft to concentrate on this important area. It is proposed that we conduct sessions at high schools in the area, also they will liaise with the district club to discuss additional initiatives.

In a recent development the Federal Government has introduced new legislation in relation to Not for Profit (NFP) organisations, our Association falls within this definition. This legislation could have tax implications and following Gavin Beecroft and myself attending a meeting held by the NSWRA we conducted a committee meeting whereby we resolved to employ professional

advice on a way forward. This may require a change to our Constitution and reporting protocols. At the time of writing this report we await this advice. Our Association must be compliant with the legislation by 31 March 2025. An update shall be provided at our AGM.

All those members who put their hand up to serve in Office Bearers role, I thank you for your service. We are so fortunate to have a high level of expertise in our administration. In particular to Richard Daizli as Director of Referees, Matthew Gomes as Training Co-Ordinator, Gavin Beecroft as Treasurer and special mention to Kane Thorburn!

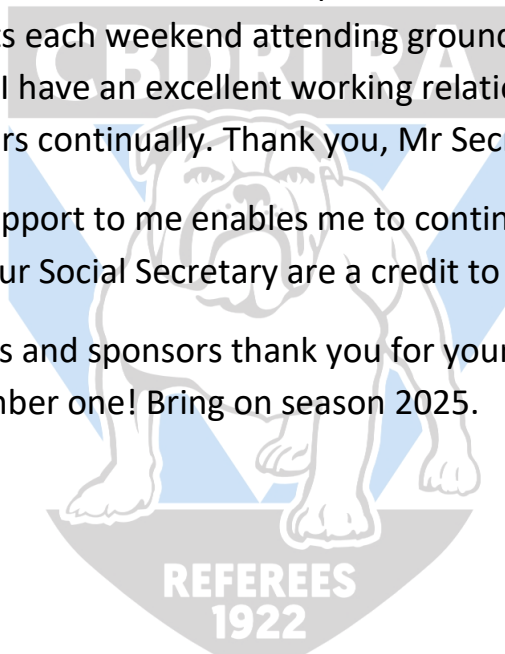

Our Secretary, Daniel Gardner in his 9<sup>th</sup> season in that role continues to excel in his administrative duties but also the time spent as assistant Director of Referees and his efforts each weekend attending grounds & training is invaluable. Daniel and I have an excellent working relationship and bounce ideas on various matters continually. Thank you, Mr Secretary!

To my wife Kim, her support to me enables me to continue in this role, her advice and efforts as our Social Secretary are a credit to her, thank you!

To all members, friends and sponsors thank you for your support and friendship, we are number one! Bring on season 2025.

**DANIEL GARDNER**  
HON. SECRETARY

Mr. Chairman and Members,

It is my honour to present my annual report as Secretary of this Association once again.

The 2024 season commenced with our Annual General Meeting, which took place at the premises of our Major Sponsor, Canterbury League Club, on Thursday, 22nd February 2024.

Paul Archer was re-elected unopposed as President for his ninth consecutive season and his twenty-second season overall.

John Khoury, Aaron Warburton & Peter McMahon were nominated by the members as Association Patrons for 2024, with all three accepting the role and maintaining their support of our Association throughout the season.

In season 2024, there was a change in the committee: David Abood was elected as Vice-President and Adam Gee joined as a committee member. All other committee positions remained unchanged. Appreciation is extended to all committee members for their contributions during season 2024.

The committee acknowledges that difficult decisions are sometimes necessary and strives to act in the best interest of the association.

Whilst there was no Life Membership presented in 2024; it was announced at the AGM that David Abood would be re-presented with his Life Membership.

David continues to remain heavily involved in the association in various roles since being awarded his Life Membership in 1998.

Congratulations David!

### **Sponsorship**

Canterbury League Club continues to be our Major Sponsor, marking nearly three decades of partnership. We appreciate the club's support for all our meetings and functions.

The club, led by President Peter Winchester—an Honorary Member for Life of our Association—continues to provide outstanding support to our members. We express our gratitude to Peter and his wife Julie for their friendship and unwavering support.

SONETA Plumbing and Civil continued as our sleeve sponsor for their 4<sup>th</sup> season. We once again thank Steve Dib and the team at SONETA for their ongoing support and look forward to this relationship continuing!

Bankstown RSL have been our flag sponsor for 6 seasons now and we thank Bruce Pawley, Scott Dickson, Christine Tadros, and the team at Bankstown RSL for their wonderful support and friendship. I would like to pass on our best wishes to Bruce Pawley who is retiring as President of Bankstown RSL. Bruce regularly attended our social events with wife Lyn throughout the last 6 years, and we wish Bruce all the best for the future.

First National Daystar also continued as naming rights sponsor for their 4<sup>th</sup> season. They have exclusive naming rights of the Blue & White Cabaret Function and Life Members Function, as well as sponsoring our training award – the ‘Daystar First National Trainer of the Year’ Award.

Thank you to Michael Sleiman, Paul Davis, and the team at Daystar for their wonderful support and friendship.

Thank you to Bruce Christison and the team at Club Menangle for their support throughout the season. It was unfortunate we had to postpone our Annual Trots Night, but we look forward to revisiting this social event in 2025. Club Menangle continue to print our Annual Reports at no cost which is much appreciated!

Brickwood Homes continued as ‘shorts sponsor’ for their 2<sup>nd</sup> season in 2024. Thank you to Albert Chahda and Geoff Dib for their continued support. Geoff is a regular attendee at our events and meetings with daughter Mikayla, and we appreciate the wonderful friendship and support.

### **Junior League**

Thank you to Head of Junior League John Grealy for the support throughout 2024.

Season 2024 was a difficult one for the Junior League, with President Wayne Oxford standing down not long after the 2024 AGM.

With work being done to update the CBDJRL constitution, we are looking forward to continuing to work with John and the newly elected Board in 2025.

At the time of writing this report, there is uncertainty around what our district competitions will look like in 2025, with the Parramatta district withdrawing from the 'Central West Conference' for season 2025 and beyond.

Unfortunately, the Junior League confirmed that Grand Finals would not be held at Belmore Oval in 2024. Not only does this affect our junior league players who would dream to play on the same ground as some of their heroes, but our referees also look forward to the experience of Belmore Oval.

Although this was disappointing, I want to express my appreciation to the Junior League and the Moorebank club for their efforts during the grand finals at Hammondville Oval.

We were well looked after and given an exclusive spot away from the crowd, where our members could still enjoy the experience. It was great to see so many members across Gala Weekend supporting our members, in particular Matthew Gomes who refereed the 19D1 Grand Final and finished the season as our Number 1 Referee, thus claiming the Clubb-Johnson trophy at our Annual Presentation Night.

Matthew joined our Association in 2016 as an eager young member. He has since developed into an exemplary young man, continually enhancing his skills as a referee. This appointment was a well-deserved recognition of his consistent performances throughout the season.

I thank the Junior League office staff – Annemaree, Donna, and Alanah – for their hard work in making sure the games ran smoothly every week.

### **Membership & Meetings**

This year the Association held 8 meetings (including the AGM) with an average attendance of 34.

This season saw us welcome 5 new members, with 1 having refereed before (Ryley Veigel).

The committee is prioritizing the recruitment and retention of members for Season 2025 and beyond. To address this, a sub-committee has been established comprising Gavin Beecroft and Anthony Harb. This sub-committee will focus on developing and implementing new initiatives in this area.

### **Training & Development**

Matthew Gomes continued as Training Coordinator for his 3<sup>rd</sup> season and continues to bring fresh ideas and reinvent sessions to the benefit of our members.

Matthew's knowledge of what is currently required as a member of the NSWRL Development Squad is integral in upskilling our younger members who are looking to take the next step in their refereeing journey.

Thank you also to Richard Daizli who assisted Matthew throughout the season at training

This season saw our Association host the annual training night with St George and Cronulla Referees, and it was a great turn out at Belmore Sportsground for this night.

Thank you to John Khoury and Paul Arraj for providing access to the ground, and to John for attending the night and giving members from all 3 associations a tour of the Bulldogs facilities.

### **Awards**

Congratulations to all award winners who were announced at our First National Daystar Blue & White Presentation Night on Saturday 26<sup>th</sup> October.

- Leo Randle Award – Bob Garwood
- Matthews-Styles Award – Ryley Veigel
- Archer-Garwood Award – Pierre Gerges
- Clubb-Johnson Trophy – Matthew Gomes
- Farrelly-Dick Trophy – Jacob Hanna
- Bankstown RSL 'Touch Judge of the Year' – Aaron McGeoch
- First National Daystar 'Trainer of the Year' – Jayden Noura

More on all award winners can be found later in the Annual Report.

## Grade – NRL/NSWRL

Adam Gee had another successful season in 2024, but as mentioned in the earlier President's Foreword, was surprisingly overlooked for any final's appointments at the end of the season.

It was wonderful to see so much support for Adam from members, the wider refereeing community, as well as the media.

We look forward to Adam bouncing back in 2025.

Nathan Loveday and Jack Bird were once again members of the NSWRL Grade Squad for season 2024 and we continue to follow their careers with interest.

Thanks to the Board of NSWRLRA for their support throughout the season, in particular Chairman Kevin Greene, Executive Officer Greg McCallum and Regional Director Steve Clapson.

## General

We continue to be well represented in the NSWRL Development Squad with Jabril Daizli, Matthew Gomes, and Isaac El-Hassan being part of the squad throughout 2024.

Jabril and Isaac were also selected in the NSWRL High Performance Train-On Squad.

Following strong performances throughout the season and final series, two of our members in the squad received Grand Final Appointments.

Congratulations to both Jabril Daizli (Harold Matthews Cup Grand Final Touch Judge) and Isaac El-Hassan (Lisa Fiola Cup Grand Final Referee)

Isaac backed this up by also being appointed as an In-Goal Judge for the Harvey Norman Women's Premiership Grand Final on NSWRL Grand Final Day.

All members are again part of the squad for 2025, with the exciting news that Ryley Veigel has been selected in the Development Squad for 2025, as well as Mikayla Dib, who was selected in the Emerging Squad for 2025, with the view to progress to the Development Squad in the years to come.

Best of luck to all members for the Junior Rep season.

Our Annual Exchanges with the Gold Coast and Auckland went ahead again this season, and congratulations to the following members who were selected to represent our association throughout these programs

- Isaac El-Hassan & Michael Rizoglou (Auckland)
- Meleck Lababidi & Chris Rizoglou (Gold Coast)

This program continues to be a wonderful initiative for our association, whilst also being a fantastic opportunity for our members to be selected. We look forward to continuing these in 2025.

In conclusion, thank you to the members for your support throughout the season. As an association, we faced challenges, but the committee worked together for the improvement of our association and its members.

I would like to extend my gratitude to Pierre Gerges for his ongoing efforts in capturing the year's highlights, contributing to our rich history.

When I think about the 'Archer-Garwood Award' and the criteria of this award, I could not think of a more deserving winner this year than Pierre!

Thanks to all committee members for their efforts throughout the season.

In particular, I would like to acknowledge our President, Paul Archer, for his remarkable commitment and dedication to our association and its members each season.

It was an honour to see Paul's name listed in the Australia Day Honours recently.

Paul has greatly influenced our Association for over **50 years** and provided invaluable guidance to me as Secretary for nearly a decade.

I look forward to seeing everyone at our AGM on Thursday, 20th February 2025, at Canterbury League Club.

## SOCIAL SECRETARY'S REPORT

MRS. KIM ARCHER

Season 2024 was our 103<sup>rd</sup> and as usual it was celebrated in true CBRA fashion with several outstanding social functions. We commenced the season with a Pizza night at Moxon Sports Club and had several other nights including a night in mid-July to welcome our Exchange visitors from the Gold Coast Association. In fact, the next night the Committee entertained our guests for dinner at the League Club prior to a number of members including our guests enjoying some indoor sessions at Sports Plus.

On Sunday June 2 we conducted our Annual Life Member's & Sponsors lunch in the Terrace Bar at the League Club. A total of 62 Life Members, partners and special guests attended the luncheon which was most enjoyable.

On Tuesday 11 June we hosted the Combined Training night at Belmore Sports Ground with members from our Association and Cronulla and St George in attendance. Many thanks to Aaron Warburton for assistance with making Belmore available, also our Patron & Deputy Chair of the Bulldogs John Khoury for attending and conducting a tour of the Steve Folkes training facility. Also, to representatives from both the NRL & NSWRA refereeing squads for their attendance. Further, many thanks to all who assisted on the night to provide food and drink for the attendees.

Always a highlight is our final meeting in September, the **Leo Randle** meeting with large numbers attending and enjoying a drink and light supper in memory of our former President and Life Member, Leo.

In late October we conducted our major annual function the Blue & White Dinner & Presentation night with 100 members, guests and sponsors attending in the newly revamped Blueberry Hill Room at our major sponsor **Canterbury League Club**. A wonderful night with our yearly awards presented and Life Member, David Abood being represented with Life Membership.

Congratulations to all award recipients in particular Bob Garwood (Leo Randle Award – second occasion) and Matthew Gomes as our leading district referee. It would be remiss if I did not thank Michael Sleiman & Paul Davis from **First**

**National Daystar** for their sponsorship of our major functions and we look forward to maintaining our close relationship in the years ahead.

Unfortunately, our scheduled annual Trots night was cancelled in November due to a lack of numbers this was very disappointing for me and the Committee, these events are planned well in advance and are for your enjoyment, please support us in our endeavours to provide alternate social events for all members. It should be noted we plan to reschedule this event to early in 2025.

Finally, to my Committee, Col Turnell (& Juanita), Kane Thorburn & Aaron McAndrew many thanks for your assistance.

It has been a pleasure to be your Social Secretary.

Canterbury League Club offers a wide range of facilities for their members and guests and more information is available at [www.canterbury.com.au](http://www.canterbury.com.au)

## DIRECTOR OF REFEREE'S REPORT

MR. RICHARD DAIZLI

It was a slightly interrupted 2024 season with some early rounds washed out due to poor weather. There were 7 weeks of trials before the competition commenced at the end of April. This was followed with 14 rounds of footy and then four weeks of finals. Canterbury combined with Parramatta for all senior grades and the finals series was played with a top 5 format. Canterbury would receive the Under 13s, 15s, 17s and 19s Grand Finals. Once again, we missed out on hosting any Opens Grand Finals which hopefully can be shared around in future years.

I would like to thank Daniel Gardner and Michael Tasker for their assistance this year in finalising appointments and providing support on match days. We were able to watch and provide reports to most referees during the year, but we need to get more people involved in match day assessing as most weekends, it was left to just us three to assess. It is crucial for our young referees to have them watched on Saturdays to help them develop into more competent referees.

This year, Friday Night Football did not continue and all senior games (under 17s to Opens) were played on Sunday. This gave more opportunities for referees to be appointed to some higher grades and gave up and coming referees' exposure to touch judging tougher games. Opportunities are there for those that want to develop.

Once again, we did not receive many new members which meant our resources were stretched, especially on Saturdays. Special thanks to referees from St George and Cronulla who assisted us during the year and relieved our workload on Saturdays. Several referees had to travel between grounds as well as spending long hours to ensure matches were completed. Recruitment and retention is an area that needs to be addressed to help relieve the workload of our referees in these times as its difficult for members to devout all their time on the weekend to refereeing.

Overall, our referees performed strongly, and the improvement of our younger referees was great to see. It would be great to see more active members attend training as that is the best way of improving your refereeing.

Areas of improvement required for 2025, is the skill of touch judging, especially around communication. Another area that needs improvement is understanding the laws of the game. A number of quizzes were done during the year, and the results overall were disappointing. Focus on the Laws needs to continue to ensure we are officiating to the best of our knowledge. There will be a larger focus on the laws of the game in 2025 so best to brush up on your knowledge in the offseason.

Congratulations to all referees who officiated in finals with some doing their first grand finals. Having watched all games, our referees performed strongly and showed great professionalism.

Congratulations to all award winners for their on-field performances:

- **Matthew Gomes: Clubb Johnson Trophy.** Matthew performed strongly and consistently all year and was deserved of the award.
- **Jacob Hanna: John Farrelly-Reg Dick Trophy** for most improved referee of the year. His persistence and willingness to learn saw him progress quickly into international football.
- **Aaron McGeoch - Touch Judge of the year award.** His experience greatly assisted his referees, and he showed professionalism in all his matches.
- **Meleck Lababidi - Yvette Hassarati Trophy.** Meleck keeps improving and refereed the top female game in 2024.

Thank you to the executive board, the junior league and district club for their support during this year.

Enjoy the festive season, stay safe, train hard and set your goals for 2025.

*Richard Daizli*

Director of Referees

**Trustees:** Paul Archer (Chair), David Abood, Daniel Gardner, Peter Longhurst and Gavin Beecroft

On behalf of my fellow Trustees, I present our report to members on the activities and expenditure of the Trust for the year 2024.

The balance of the Trust continues to be in a very healthy state, and I acknowledge the expertise of Ian Butler for his prudent management of our portfolio. In fact, the current balance of the Trust is in excess of our initial starting balance from 2005 which is an excellent result considering that on average the Trust expenses average \$10k each year.

The Trustees met several times during the reporting period and at the moment we are seeking professional advice to ensure that the Trust Deed meets the obligations as required by newly introduced Not for Profit (NFP) legislation introduced by the Federal Government. Members will be advised of the outcome of this advice at our AGM. Also, we have commenced the transition of professional administrative responsibilities from Peter Longhurst to Gavin Beecroft.

During 2024 the following funds were distributed from the Trust:

DATE	AMOUNT	DESCRIPTION
14 <sup>th</sup> March 2024	\$1072.50	Walker-Wayland – Professional Services
27 <sup>th</sup> March 2024	\$1440.00	ASIC – Registration Fee
23 <sup>rd</sup> May 2024	\$238.70	ASIC – Industry Funding Levy
14 <sup>th</sup> August 2024	\$2760.00	CBRA – Reimbursement (storage)
14 <sup>th</sup> August 2024	\$1628.00	CBRA – Reimbursement (gear purchase)
8 <sup>th</sup> September 2024	\$1800.00	CBRA – Reimbursement (gear purchase)

## TRAINING REPORT

MR. MATTHEW GOMES

Another year of training co-ordinator for the association was probably the most rewarding and challenging at the same time. It was rewarding to see those members who have attended training regularly for the past couple seasons be appointed to their first grand finals and continue to develop as individuals.

The training approach this season was largely focused on skill development with an emphasis placed on working together as a team. Season 2024 didn't come without its challenges which allowed me to develop different approaches on a weekly basis to ensure adequate skills were at the focus of training. Planning for training this season proved to be difficult at times due to the uncertainty around numbers or weather however I'm sure those who attended got something out of it and I appreciate their support throughout the season.

The highlight of the training calendar continues to be the combined training session with Cronulla and St. George referees and this year we hosted this event at Belmore. It was another successful night with the association well represented and attended by NSWRL and NRL officials which is always great to see their support. Thank you once again to the association for giving me with the opportunity to coordinate training this past year. None of this would have been possible without the members who attended training throughout the past season.

Attendances throughout this season was inconsistent at times, coupled with more rain affected sessions this year than previously. On the back of last season, the association this season continued the incentive with gear for any member who attended 75% of sessions, however to no real avail. The inconsistency of numbers at training proved to be difficult to plan drills accordingly and will need to be revisited during the offseason to ensure members get the most out of training and continue to enhance their skills.

The commitment and effort shown by members especially during the colder nights must be applauded and I hope you all achieved the goals you set out at the beginning of the season.

Congratulations to Jayden who was the deserving recipient of 2024 trainer of the year, his attendance and willingness to always ask questions made it an easy selection. This was rewarded with his first of many grand final appointments. Having only been a member of our association for a couple of seasons, it is quite clear that if he continues to apply himself, he will have a long and successful career.

Looking ahead to next season, there will need to be a little bit of a revamp to entice members whether it be through monetary incentives or potentially different training night.

Whilst numbers consistently dwell during the winter nights, it is imperative that we show a level of commitment to attend training where possible, because at times it can be challenging to run some sessions with limited numbers. With that being said, the commitment shown particularly by the younger members was encouraging and is important for their development that they train regularly to ensure they can continue to progress.

Special mention to both Daniel and Richard for their continuous support and assistance throughout the season, their ideas and input never goes unnoticed.

I trust all members and their families enjoy the offseason and best wishes for the new year, and I look forward to seeing you all back next season.

## CPO REPORT

MR. ROBERT DUBOIS

Greetings Members,

Welcome to the inaugural Child Protection Officer report.

Firstly, I would like to acknowledge the efforts of past and present members who have championed child safety and ensured our compliance over the years. In particular, I extend my gratitude to Lionel Brown, who safeguarded and maintained the paper-based Working with Children Check (WWCC) records prior to the system's digitization. I also wish to recognize Daniel Gardner, who has expertly managed the transition to digital systems while juggling numerous other responsibilities for our Association.

When Paul Archer approached me last season to assist the Association in the role of Child Protection Officer, I was pleased to accept. Having worked with the Department of Communities and Justice and supported WWCC processes with previous sporting organisations, this role felt like a natural progression. I hope I have served the Association well in this capacity.

As part of my onboarding, I completed a training workshop run by the Office of the Children's Guardian in conjunction with the NSW Office of Sport. While the training primarily focused on managing the WWCC processes for our organisation, it also highlighted the broader importance of these safeguards for our community. Beyond compliance with WWCC requirements, our Association bears a responsibility to develop ongoing child safety policies and foster a culture of child safety across all levels of leadership and membership.

To tackle my role effectively, I divided my responsibilities into three key streams:

1. Compliance – Ensuring all members fulfill their WWCC and NRL registration obligations.
2. Education – Raising awareness of the Child Safe Standards introduced by the Royal Commission into Institutional Responses to Child Sexual Abuse.
3. Support – Assisting members with their compliance obligations and addressing reports of misconduct where necessary.

I am pleased to report that, following both pre-season and mid-season audits of our WWCC records, our members have successfully met their registration

and compliance requirements. Looking ahead, I anticipate an even smoother registration and renewal process as more members become accustomed to the Service NSW Digital platform.

As compliance processes continue over the coming years, it is essential to remain vigilant. Since WWCC records expire every five years, periodic renewals will ensure our Association stays up to date, safeguarding against risks to our children and protecting our reputation as a child-safe organisation. I will also continue to educate members on child protection policies and procedures at upcoming seminars and meetings, guided by the Office of the Children's Guardian.

Our child protection goals extend beyond safeguarding junior players. They also aim to protect our junior members under 18 who contribute as referees and trainees each week. These safeguards must serve as a double-edged sword: not only should we protect children under our care in our roles as referees, coaches, or committee members, but we must also hold the Junior League accountable for ensuring the safety of our young referees from inappropriate conduct by club officials, spectators, or participants.

Finally, a friendly reminder: please have your WWCC details ready for next season's registration process. If your details are due for renewal, you should receive instructions from Service NSW via email.

For any questions or assistance, feel free to contact me at [cpo@cbra.com.au](mailto:cpo@cbra.com.au)

Thank you for your ongoing commitment to child safety, and I look forward to working with you all in 2025.

*Robert Dubois*

## HON. TREASURER'S REPORT

MR. GAVIN BEECROFT

Dear Members,

It is with pleasure that I submit the financial accounts to members for financial year ending 31 October 2024.

Our result for the 12 months to 31 October 2024 was a surplus of \$2,711.31 with our total assets valued at \$36,082.69

Income increased during season 2024 to \$49,558.06 (excluding interest income).

Our expenses have also increased in 2024 from previous the previous year to \$47,194.51.

I would like to acknowledge and say thanks to Bankstown RSL, who provided an additional Grant of \$5,908.06 for CBRA on-field gear for season 2025. The design of the new on-field gear was unveiled during the last general meeting of the season, and we are looking forward to seeing our referees in action with their new gear for season 2025.

NSWRLRA provided Grant Funding to CBRA for Coaching and Administration Grant. The NSWRLRA implemented a new funding model for Associations, which is membership-based criteria, resulting in a decrease in Grant Funding for 2024.

Canterbury League Club providing \$10,000.00 to the Association via Club Grants, along with Bankstown RSL \$8,406.06 including additional funding for the 2025 season on field gear.

To our sponsors, as always, we are very grateful for your continued support. We are grateful to have a group of fantastic sponsors being part of the CBRA brand.

I would like to acknowledge & thank the following sponsors for their financial contribution during season 2024.

- **Canterbury League Club**
- **Club Menangle**
- **Bankstown RSL**
- **Brickwood Homes**
- **First National Daystar**
- **Soneta Plumbing**

During the 2024 season, the committee implemented some new initiatives for 2025, including financial support for CBRA match day coaches, providing payments for coaching of CBRA active referees, also the introduction for active members to have their active social fees capped at \$200, to ensure our most available active members are not penalised for their continued efforts.

In a sign of moving with the times, as we transition into a cashless society, we saw the introduction of a square payment system, effectively a mobile eftpos payment terminal, to receive payments on behalf of CBRA. To the members have assisted in embracing this new technology, thank you.

Lastly in late 2024, the CBRA Executive was made aware, that there will now be a new compliance and reporting requirements from the ATO for all not for profits organisations, including CBRA. To ensure ongoing compliance, we are required make some minor administrative changes and complete a lodgement annually with the ATO, once this process has been completed, I do not expect any adverse tax treatment from ATO for CBRA, nor its members.

In closing, also a special thanks to the Committee, for their work throughout the year and thanks to all members for their contributions.
